

Train the Trainer Workshop

The Hitchhiker's Guide to Biosafety Cabinet Training

Goals: Following the course, participants will be able to

- Discuss basics of training
- Set up BSC trainings at their institutions
- Apply the training script and the protocols at their institutions
- Apply practical exercises
- Use varying training tools

Date: 16.01.2020

Venue: IVI, Mittelhäusern

Maximum number of participants: 8 (1st come - 1st serve)

Target audience: BSOs and other interested parties in charge of biosafety training at their institutions. Participants should ideally already be familiar with the functions of a BSC and have personal experience working at a BSC.

Registration: <http://www.swissbiosafety.ch/event-3410423>

Close of registration: 01.12.2019

Costs: CHF 600 (members), CHF 1000 (non-members)
